

Mirrlees Fields Summer Tidy Up!

Sunday 13th July 10am – 3pm

All ages welcome, there is plenty to do and jobs for all abilities!

Before we kick off our exciting calendar of events on the Fields this Summer, we are asking for volunteers to help with a 'tidy up'.

We will be removing old fencing, pulling Himalayan Balsam, litter picking and having a general tidy up.

Please meet at the Angler's Pond for a prompt 10am start.

What you will need

- Be prepared for the weather (sun cream/waterproofs etc)!
- Sturdy footwear
- Thick gloves (if you have them)
- A packed lunch and drinks (we will be taking regular breaks)

What will we provide

- Safety briefing
- Specialised equipment (where required)
- Works coordinated by CWT
- A prompt finish (probably followed by a prompt walk to the local pub!)
